

"TENDY" TENSION MOUNT SET FOR ROMAN BLINDS

Article code: [ARP6670000/0001](#)

- ◆ Usable with different types of rails with velcro for roman blinds;
- ◆ A precise fixation of the components to the rail thanks to the 4 included screws;
- ◆ A solid installation of the rail to the window, also during the operation of the blind;
- ◆ The gummy finials ensure an installation without damaging the window;

- ◆ Easy and quick to install;
- ◆ No drilling, no screws, no damage to the window;
- ◆ The innovative system completely covers the window glass;
- ◆ Little visible from the outside of the window, invisible looking at the blind from the front;
- ◆ Adjustable to different window sizes;
