

New thermoplastic reduction sleeves

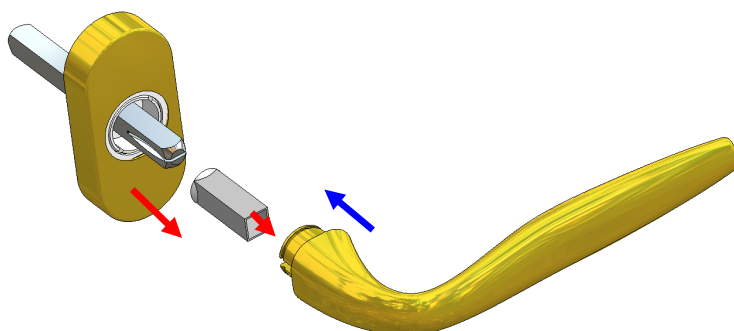

In addition to our existing range of thermoplastic reduction sleeves, we are able to produce the following sizes:

<div> <div>outside <input type="checkbox"/></div> <div>inside <input type="checkbox"/></div> </div>	6 mm	7 mm	8 mm	8.5 mm	9 mm	10 mm
4 mm	✓					
5 mm	✓	✓	✓			
6 mm		✓	✓			
7 mm			✓	✓	✓	
8 mm					✓	✓
9 mm						✓

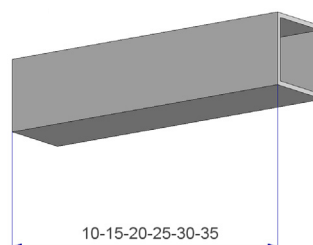

All these new dimensions are available with or without collar, in the following lengths: 10, 15, 20, 25, 30 and 35 mm.

Do not hesitate to contact us for more information or samples.

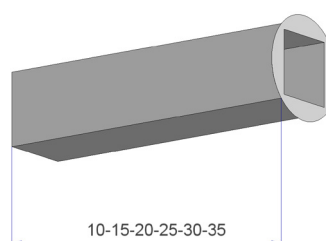

Click [here](#) to see our existing range of reductions sleeves that remain in production.

Version without collar:

Version with collar:

We have been producing thermoplastic reduction sleeves for over 40 years.
